

## **Directions**

READ ALL WARNING AND PROCEDURES COMPLETELY

- Lay out ground tarp for inflatable (not provided unless requested).
- Position inflatable on tarp with a level ground area approximately 30' X 20' (larger for obstacle).
- \*\*Unit should have 18' clearance on all sides with 20' height clearance\*\*.
- Close off and secure any remaining auxiliary air tube(s).
- Check air relief patches and make sure they are closed.
- Connect blower to air tube making sure it is firmly secure.
- Blower system requires a dedicated 20 amp breaker.
- Turn blower on and (if applicable) steer the slide up with the top guide tether.
- Secure all tethers firmly to stakes after the unit is fully inflated. Bury stakes flush with ground.
- Do a safety check on the blower and extension cord. If the cord is damaged, replace immediately.
- Extension cords must be UL Listed for outdoors use. Max length 50' 14-3
- Do a safety check on the interior and exterior surfaces of slide, looking for any moisture, debris, rips, tears or seams coming apart (if noticed, please call the emergency number on the contract and don't use).

### **Secure 18" and 36" Anchor Stakes**

- After the unit is fully inflated on firm ground, secure all bottom tethers to 18" x 1/2" stakes.
- Do not operate in winds over 15 mph.

## **Limitations**

Number of installers: 1

Number of operators: 1

Max weight of passengers: 1220 lbs

## **Warnings**

NEVER LEAVE INFLATABLE UNATTENDED!! INJURY MAY OCCUR

**ALWAYS INSTRUCT SAFELY**

- Instruct every participant to follow the safety rules on each inflatable.
- Never jump, flip, dive, or somersault on or off of slide.
- Do not allow riders to bounce against the slide or near the entrance.
- Have riders stay away from bumping into each other.
- Do not allow riders to pull or hang on mesh.

## **Cleaning**

**Customer is required to return the item clean and dry.**

\*\*Put it in the garage if it rains or cover with a tarp\*\*

\$50.00 minimum cleaning fee will be taken from the deposit if it comes back wet.

## **Liability**

"Renter" (person, company, or entity renting the inflatable product or device), is solely responsible for the manner of use of the products and other equipment rented from Wautoma Rental Center.

"Renter" acknowledges that they have received, read and fully understand all necessary instructions for a safe setup and operation of their inflatable rented. "Renter" shall use proper stakes, tie-downs, and other applicable devices necessary to ensure the safety of users and the general public.
